

THE SWITCH

tOPV to bOPV

ON
**25th APRIL
2016**

Remember your responsibilities

Before the SWITCH

- 1 Don't overstock, don't understock tOPV
- 2 Monitor return of tOPV from last outreach sessions
- 3 Update weekly tOPV stock on the web portal
<http://poliovaccine.nspindia.org>
- 4 Ensure ANMs return all tOPV after session
- 5 Do not open bOPV before THE SWITCH

On the SWITCH Day

- 1 Remove all tOPV from the cold chain
- 2 Pack tOPV and mark as WASTE
- 3 Return waste tOPV to district for disposal
- 4 Start USING bOPV

After the SWITCH

- 1 Ensure no tOPV exists at your facility
- 2 If tOPV found, return immediately to district for disposal
